

February 20, 2013

The Honorable John Kasich
Governor of Ohio
Columbus, OH 43215

Dear Governor Kasich,

I am pleased to inform you that the Corporation for National and Community Service (CNCS) has awarded a 2013 Senior Corps RSVP grant to one or more organizations in your state. These grants are the result of the Fiscal Year 2013 Senior Corps RSVP Competition. A brief summary of each grant awarded in your state, including local contact information for the grantee, is attached.

Established in 1971 and now one of the largest senior volunteer organizations in the nation, Senior Corps RSVP taps the skills, talents, and experience of thousands of Americans age 55 and older. In 2009, Congress passed the Serve America Act, the most sweeping expansion of national service in a generation. This landmark law provided for the competition of the Senior Corps RSVP program beginning in 2013. In this competition, CNCS funded Senior Corps RSVP projects that support volunteers 55 years and older serving in a diverse range of activities that meet specific local and community needs and respond to National Performance Measures.

These new grants will build on the impact of the Senior Corps RSVP program. In FY 2012, for example, more than 320,600 volunteers:

- Delivered more than 47 million hours of service in their communities;
- Served in more than 38,000 community organizations, called volunteer stations;
- Served 563,200 veterans;
- Mentored more than 82,590 children;
- Provided independent living support to 742,800 adults, primarily frail seniors;
- And provided respite services to nearly 24,000 family or informal caregivers.

In a time of growing social and economic challenges, national service is a critical and cost-effective method to engage America's citizens in solving problems in their communities. Our agency seeks to expand opportunities for Americans of all ages and make service a transformative experience for all who serve and for the communities that they support.

I welcome the opportunity to discuss national service with you at your convenience. Please do not hesitate to contact me or Kimberly L. Allman, Acting Director of Government Relations, at (202) 606-6707.

Warmest regards,

Wendy Spencer
Chief Executive Officer
