

Martin Luther King Day Heartland Service Project

Celebrate MLK Day with the Heartland Service Project!

Join the MLK Service Committee (along with the VISTA Leader team) as we put on a fun-filled day for the residents of Heartland, an assisted living and rehabilitation center in Columbus. Many of the residents are low-income, and they don't often have visitors. We hope to put on a smile on their faces and have a meaningful day for residents and AmeriCorps members alike.

You are welcome to attend for a full or half day. The morning is optional for room visits and cleaning projects, and the afternoon is when the group activities begin. We would greatly appreciate your help with any of the following:

- **Talent Show ***
- Reading to Residents
- Nail Salon
- Bingo
- Board Games
- Cards
- Cleaning/Repair Projects
- **Recording residents' memories of MLK and the Civil Rights Movement.**
