RE: Impact of AmeriCorps Benefits on Food Stamp Eligibility

This memorandum is intended to clarify how benefits received under AmeriCorps\*State and National and AmeriCorps\*VISTA (VISTA) are treated for food stamp purposes. The treatment of benefits varies depending upon whether the member in question is serving with AmeriCorps\*State and National or VISTA. The Corporation for National and Community Service is the Federal agency responsible for overseeing both the AmeriCorps\*State and National and VISTA programs. However, the programs were authorized and are governed by different legislation which provides for different treatment of benefits.

#### Impact of AmeriCorps\*State and National Benefits on Food Stamp Eligibility

The AmeriCorps\*State and National program was authorized by the National and Community Service Act of 1990 (NCSA), 42 U.S.C. § 12501 *et seq.* The NCSA states that allowances, earnings, and payments to participants in AmeriCorps programs “shall not be considered income for the purposes of determining eligibility for and the amount of income transfer and in-kind aid furnished under any Federal or federally-assisted program based on need, other than as provided in the Social Security Act.” 42 U.S.C. § 12637(d). Based on this language, the USDA issued an opinion in 2001 stating that AmeriCorps\*State and National benefits are excluded from income for food stamp purposes. (See attached).

#### Impact of AmeriCorps\*VISTA Benefits on Food Stamp Eligibility

There are different rules for AmeriCorps\*State and National and VISTA members. The statutory requirements for the VISTA program are located in Title I, Part A, of the Domestic Volunteer Service Act of 1973 (DVSA), 42 U.S.C. §§ 4951-4960. In addition to Part A requirements, various provisions of Title IV of the DVSA apply to VISTA sponsoring organizations and VISTA members, 42 U.S.C. §§ 5043 – 5065. Section 404 of the DVSA states, in relevant part, as follows:

(f)(1) Notwithstanding any other provision of law except as may be provided expressly in limitation of this subsection, payments to volunteers under this chapter shall not in any way reduce or eliminate the level of, or eligibility for, assistance or services any such volunteers may be receiving under any governmental program, except that this paragraph shall not apply in the case of such payments when the Director determines that the value of all such payments, adjusted to reflect the number of hours such volunteers are serving, is equivalent to or greater than the minimum wage then in effect under the Fair Labor Standards Act... or the minimum wage under the laws of the State where such volunteers are serving, whichever is greater.

(f)(2) Notwithstanding any other provision of law, a person enrolled for full-time service as a volunteer under Title I of this Act who was otherwise entitled to receive assistance or services under any governmental program prior to such volunteer's enrollment shall not be denied such assistance or services because of such volunteer's failure or refusal to register for, seek, or accept employment or training during the period of such service.

42 U.S.C. § 5044(f)(1) and (2). (Emphasis added).

In other words, if a VISTA member was receiving food stamps prior to enrolling in the VISTA program, payments to that VISTA cannot be considered in determining the amount of or eligibility for food stamps. Furthermore, entitlements to assistance may not be denied because of a participant's failure or refusal to seek or accept employment while serving with the VISTA program. However, if a VISTA member was not receiving food stamps before entering the VISTA program, the member's VISTA payments may be included as income in making food stamp calculations. This information can also be found in the USDA's implementing regulations at 7 CFR 273.9(c)(10)(iii).

Summary

Although AmeriCorps\*State and National and VISTA members may serve in the same community, and sometimes, with the same non-profit organization, they serve under different rules. The chart below demonstrates how a member's benefits should be treated based on the program with which the member serves.

If the member is serving with....	And the member...	Then...
AmeriCorps*State and National (NCSA)	... was receiving food stamps prior to beginning service	...the member's eligibility should be unaffected by their AmeriCorps living allowance.
	... was NOT receiving food stamps prior to beginning service	
AmeriCorps*VISTA (DVSA)	... was receiving food stamps prior to beginning service	...the member's living allowance may be included in income for food stamp purposes.
	... was NOT receiving food stamps prior to beginning service	

Bottom line: The only situation in which an individual's food stamp eligibility might be affected is when the individual enrolls as a VISTA member and subsequently applies for food stamps.
